### **Excellence Scholarship & Opportunity Award (ESOP)**

Dear Mr LI

I have great pleasure in informing you that you have been awarded an ETH Zurich "Excellence Scholarship & Opportunity Award (ESOP)" for your studies in the Robotics, Systems and Control MSc programme. The Awards Committee selected you based on your excellent academic achievements so far and the quality of your pre-proposal for the Master's thesis.

The award comprises a scholarship of CHF 36'000 for the period of September 2023 - February 2025. The scholarship will be paid in 3 instalments. You will receive the first instalment (CHF 12'000) at the beginning of the Autumn Semester 2023, the following instalments at the beginning of each of the following semesters. You will be exempt from paying the tuition fee for the duration of the scholarship. Additionally, you will receive special mentoring by a member of the teaching staff for the duration of your studies.

I wish you good success for your studies at ETH Zurich.

Yours sincerely  
Swiss Federal Institute of Technology  
on behalf of the Rector

Prof. Dr. Lorenz Hurni  
Chairman of the Excellence Scholarship &  
Opportunity Award Committee
